Your investment in nature can lead to a greener legacy, a thriving community, and a deeper connection with the environment. Join us on this journey and be part of something extraordinary as a Hasiru Farmer.

WHY MANAGED FARMALND

How Managed Farmplots work

Managed farmland refers to agricultural land that is professionally operated and supervised by experienced agricultural companies or experts. The concept involves investors purchasing farmland and then entrusting its day-to-day management to these specialized firms.

Our Projects

... PARIVAR ...

Farms and resort

Parivar is a lush green gated community, spread across **10 Acres of farmland**. A nice cozy home with your own farm. We also have an exclusive theme resort spread across 3 Acres

PRAKRUTHI
A Village Awaits You!

A village-themed retreat

A sanctuary embracing the simplicity of village living intertwined with modern amenities. This **33 Acre** expanse echoes a time where community and nature flourished together.

An oasis of Bamboo Farm living

Spanning across **3.5 Acre** field, it is a home to 200 mango plantations, ripe not only with sweet nectar but also the love of farmers. Mixed with a traditional Asian ambience, this is a gateway to a luxurious life filled with a sweet aroma with **8 Bamboo cottage built**

BRINDAVAN

A Contemporary theme farmland

An **25 Acres** managed farmland based on the holy abode of Lord Krishna himself. Build your home and find tranquillity amongst nature, under the purview of Lord Krishna. Catered carefully to lead you to salvation, our managed farmlands allow you to connect with nature with prosperous plantations and gaushalas.

About Project

Name Origin

The name tranquil beauty of the Shikara as it glides gracefully across the serene, surrounded by majestic mountains and lush greenery. Each moment on a Shikara is a journey into tranquility, where nature's beauty envelopes you in its peaceful embrace, creating memories that last a lifetime.
